

2009 DECA ~ MDA Summer Camp

North Dakota DECA ~ Partnership with MDA

Each chapter selects 1-2 items from the list to donate to the Muscular Dystrophy Association. The partnership formed with MDA has helped provide items to the MDA Summer Camp to be held in June. Items should be brought to the State DECA Conference in March. One representative from each chapter will be asked to bring the items to the stage during the opening session and present the chapter's donated items. Each chapter should be prepared at the Fall Leadership Conference to sign up for the items they wish to secure through donation, fundraising, or chapter purchase.
