

## DECA Written Event Statement of Assurances, 2011

Research and report writing are important elements of modern business activities. Great care must be taken to assure that the highest ethical standards are maintained by those engaging in research and report writing. To reinforce the importance of these standards, all written entries in DECA's Competitive Events Program must submit this statement as part of the entry. The statement must be signed by the DECA member(s) and the chapter advisor.

I understand the following requirements are set forth by DECA Inc. for all Competitive Event entries containing a written component. These requirements are additional to the general rules and regulations published by DECA Inc. By signing this statement, I certify that all are true and accurate as they relate to this entry.

4. Credit for all secondary research has been given to the original author through the project's bibliography, footnotes or endnotes.
5. All activities or original research procedures described in this entry are accurate depictions of my efforts or, in the case of team projects, the efforts of my team.
6. All activities or original research described in this entry took place during this school year or the timeline specified in the Event Guidelines.
7. I understand that DECA has the right to publish all or part of this entry. Should DECA elect to publish the entire entry, I will receive an honorarium from DECA.
